## Staff Representatives for Bargaining Team

Voting for staff representatives on the enterprise bargaining team took place today at the Staff Forum. Staff at the forum voted for 1 general staff position and 1 academic staff position available on the team.

I am now pleased to advise that your representatives will be:

**General Staff-** Stephanie Grolimund  
Austin Whitten (Alternate)

**Academic Staff-** Carolyn Kennett  
Julian Leslie (Alternate)

The staff representatives will be attending bargaining meetings to represent your views in relation to the new enterprise agreement. Mechanisms will be established for them to collect information from and provide feedback to staff on issues that arise from the bargaining process.

I look forward to working with your representatives.

Tim Sprague
